Hello Teenage Parent High School Families and welcome back to campus – home of the Kangaroos!

It is my sincerest hope that this message finds everyone healthy and rested. We are anticipating a great start to the much anticipated 2023-2024 school year on Thursday, August 3, 2023!

This year, we welcome, and are fortunate in having all of our faculty from last year return back on to campus. In addition, we have now filled our vacant math position! We welcome Mr. Johnston Thella to our Kangaroo faculty this year!

I and all of TAP faculty and staff are excited to welcome students and families back on to campus. We are equally as eager to partner with our families and community members to re-engage with your student, remove academic barriers, and find innovative and alternative ways to find academic success for your student.

Our journey to graduation will require a new sense of partnership with families to succeed. We ask that families communicate and partner with staff often and consistently. Please be sure we have updated phone numbers and email address to keep Two-Way communication open.

Again, thank you for making the start of the 2023-2024 school year a success as we opened our campus doors and begin our journey to completing requirements to graduate!

Best,
