Fax: 520-225-3206

Greetings Students, Parents, and Guardians,

My sincerest wish is that you and your loved ones are healthy and doing well in this pandemic. I would like to take this time to express a warm welcome to this 2020-2021 school year. I am honored to serve this year as the Interim Principal. My name is Norma Gonzalez, PhD. and I have been around the district for 26 years in various capacities. I have been a classroom teacher at the K-12 levels, in curriculum development, as well as program coordinator and manager of district level programs in curriculum and instruction. As a long time educator, I value the importance of relationship building as such I look forward to building relationships with staff, students, babies, families, and the community.

I would like to assure you that in these unprecedented times, whether you choose remote learning or in-person when we secure permission from the Pima County Health Department, health and safety is a priority.

Again, it is my honor to work in partnership with you in this educational journey. Please do not hesitate to call or email me at norma.gonzalez@tusd1.org should you have any questions. As always, I am happy to answer any questions. I am looking forward to an exciting 20-21 school year in community with you!

Be safe and stay well,

Norma Gonzalez, Ph.D.
Interim Principal
